MINUTES

Dianne Walton called the meeting to order to review the conference.

The only real complaints were the bar charges on Sunday night. (They began charging earlier than we thought they should. Milo was checking on this.)

Registration

Everything went very well except for onsite registration. This will be an ongoing problem.

“No shows” will not be refunded their money.

Sunday night social food

It was suggested that we ask on the conference evaluation if everyone had rather have a meal (box type) for Sunday night rather than finger foods.

MBUG 2007

Dianne W. recommended that we try to have the conference on the coast to help them economically.

Bettye Graves will check with the Telecommunications Center in Jackson as an alternative site.

Presentations

All comments about presentations were very positive.

It was suggested that we might offer a pre-conference workshop next year. Ricky Creel suggested API for Technical users since that is a big issue right now.

Our next meeting will be April 12, 2006 at either IHL or Jackson State University at 10:30 a.m. The following items will be discussed: election of officers, conference evaluation and Conference 2007.

Meeting adjourned.
